

BigProfit Privacy Policy

This Privacy Policy describes what personal information You may share with BigProfit, as data controller, and other Users when activating and using the BigProfit Services, how BigProfit receives, collects and uses this data and how You may opt-out at any time, altogether preventing use of the data shared via the Services.

Information Collected and Received

Installation and Use

When you install and use the BigProfit Apps, BigProfit will collect, process and retain personal information from You and any devices You may use in Your interaction with our Services. This information may include the following: geo-location, Your IP address, device ID or unique identifier, device manufacturer and type, operating system. BigProfit may use the information collected from, and in connection with, all of our services to provide, maintain, and improve them, to develop new ones, and to protect BigProfit and its users. BigProfit also uses this information to provide you with tailored content, such as search results and advertisements more relevant to You.

User Profile

Where the User registers a user profile in the BigProfit Apps and via SMS or inbound call verification confirms being the holder of a certain number, the information up-loaded to the profile section of the BigProfit Apps will be received and stored by BigProfit. Compulsory information when creating a profile page is the User's name, phone number, email id and additional information regarding risk profile, investment profile, financial information, KYC that may be provided at the User's option. BigProfit may supplement the information provided or collected with information from third parties and add it to information provided by You.

Please note that any content uploaded to and displayed in the user profile by the User is not moderated by BigProfit. The User is solely liable for the publication of such content. Please see the Terms of Service for further information.

Contact Information

Where the BigProfit Apps are obtained from other sources than Apple App Store or Google Play, You may share the names, numbers and email addresses contained in Your device's address book ("Contact Information") with BigProfit. If you provide us with personal information about someone else, you confirm that they are aware that You have provided their data and that they consent to our processing of their data according to our Privacy Policy.

Addresses, passwords and credit card numbers and any other similar information will automatically be prevented from being entered into the BigProfit database.

Use, Sharing and Disclosure of User and Contact Information

Information related to the User or Contact Information will be used to:

- (a) Display the name associated with a certain number.
- (b) Provide selected BigProfit Associates with limited information in order to enhance user experience, service functionality and data accuracy, provided that these partners adhere to strict confidentiality provisions no less protective of your rights than the Terms of Service and this Privacy Policy,
- (c) Contact You from BigProfit for verification purposes, KYC or with information pertaining to the Services, e.g. newsletter e-mails and similar notifications, and verify provided User Profile information with third party providers,
- (d) Deliver messages.
- (e) Enable You to use and share Your user information in connection with Your use of third party services.
- (f) Customize, maintain, measure, improve our Services and develop new ones,
- (g) Personalize, measure and improve our advertising and use geo-location information to provide You with location based information and services (such as more relevant advertising, search results and other personalized content).

Miscellaneous

In addition to the above BigProfit may disclose information related to the Users and Contact Information if we believe such action is necessary to:

- (a) Comply with the law, or legal process served on us;
- (b) Protect and defend our rights or property (including the enforcement of our agreements); or
- (c) Act in urgent circumstances to protect the personal safety of Users or members of the public.

BigProfit may share your personal data with trusted third party service providers and partners. BigProfit will always require these third parties to take appropriate organizational and technical measures to protect your personal data and traffic data and to observe the relevant legislation.

The following is a description of how BigProfit may share information about you with trusted third party partners:

1. BigProfit uses a third party partner company in order to send You or a third party you wish to contact SMS when you use the Services. In order to send you the SMS, we send the third party company your and the relevant third party's phone numbers. This third party SMS partner is contractually obligated only to use these phone numbers for the transmission of requested SMS.
2. BigProfit may use Push Notification Services to notify you about up-dates and important information. In such cases, your phone number may be part of the notification. This message is sent to the push notification service provider, for delivery to your device.

The submission of Contact Information by You and the processing thereof by BigProfit is constitutionally protected under the applicable law, see the Terms of Service. BigProfit may, however, disclose information contained in the Service and

about you if we determine that for national security, law enforcement, or other issues of public importance that disclosure of information is necessary, always provided, of course, it is also lawful.

BigProfit may from time to time ask you to provide information on your experiences from using the BigProfit Services, which will be used to measure and improve quality. You are at no time under any obligation to provide any of such data. Any and all information which is voluntarily submitted in feedback forms or any surveys that you accept to take part in is used for the purposes of reviewing this feedback and improving the BigProfit software, products and websites.

Cookies and Automatically Collected Information

The BigProfit Website uses so called “Cookies” in connection with the Services. Cookies are pieces of information stored on your computer's hard drive and/or other device’s browser that enables BigProfit to keep Your login session for thirty days. The use of Cookies is standard practice. Cookies do not enable any access to and/or inspection of other information on Your computer or other device. If You do not wish to receive cookies, or wish to be notified of when they are placed, You may set your web browser to do so, if your browser so permits. Please understand that if Cookies are turned off, You may not be able to obtain full functionality in certain parts of the Services.

The BigProfit website and the BigProfit App use [Google Analytics](#), a web analytics solution by Google. Google Analytics also adds cookies to Your computer or mobile device when You visit our website or interact with certain parts of the BigProfit App and collects usage information to create statistics for BigProfit. See [Google's privacy policy](#) for details.

BigProfit servers may automatically collect data about Your Internet address when You use the BigProfit Services. This information, known as an Internet Protocol address, or “IP Address”, is a number that is automatically assigned to Your computer or other device by Your Internet service provider whenever You are on the Internet. When You request pages from the Services, our servers may log Your IP Address and, if applicable, Your domain name. Your IP Address is used to help identify You and to gather demographic information about our Users as a whole. BigProfit’s servers may also record the referring page that linked you to

BigProfit (e.g. another web site or a search engine); the pages You visit on the Services; the web site you visit after BigProfit's web site; the ads you see and/or click on; other information about the type of Web browser, computer, platform, related software and settings you are using; any search terms You have entered on this web site or a referral site; and other Web usage activity and data logged by BigProfit's servers. BigProfit uses this information for internal system administration, to help diagnose problems with servers, and to administer our Services. Such information may also be used to gather demographic information, such as country of origin and Internet Service Provider.

Information Security

In order to provide the BigProfit Services, BigProfit may transfer, process and store personal data in a number of states. BigProfit may also subcontract processing of Your information to third parties located in country or other than country. You acknowledge and agree that BigProfit may transfer Your personal data as described above for purposes consistent with this Privacy Policy. We take all reasonable precaution to protect Your information, Contact Information and other Content from misuse, loss and unauthorized access. Although we cannot guarantee this information will not be subject to unauthorized access, BigProfit has physical, electronic, and procedural safeguards in place to protect it. The Information is stored on secured servers and protected by secured networks to which access is limited to a few authorized employees and personnel. However, no method of transmission over the Internet, or method of electronic storage, is 100% secure.

Accuracy of Collected Information

BigProfit may on its own initiative, or at your request, replenish, rectify or erase any incomplete, inaccurate or outdated information retained by BigProfit in connection with the operation of the Services. You have always the right to know what information is stored about You and have any data corrected or deleted on Your request, which should be submitted in accordance with our contact details below.

The accuracy and security of information concerning the Users and their contacts are BigProfit's highest priority and they are free to opt-in or opt-out of the Services at any time. You can disable Your account from the BigProfit database via a request directly on mailing at care@bigprofitapp.com

Minors

BigProfit Services are not intended for or designed to attract anyone under the age of 18 and BigProfit does not intentionally or knowingly collect personal information in the Services from anyone under that age.

Changes to this Privacy Policy

BigProfit may at any time with or without a separate notice change this Privacy Policy, and You are encouraged to review this Policy from time to time.
